Re: **Rebate Structure at Nutri Feeds**

Dear Sir/Madam

Nutri Feeds would like to make use of the opportunity to thank the members of **Hoëveld Bonsmaraklub** for their continued loyal support.

Nutri Feeds would like to present the following rebate structure on all Nutri Feeds products purchased during the calendar year of 2018:

Rebate Structure (R/Per Unit)	Unit (bags/tubs)
R 1.00	1 – 3000
R 1.50	3001- 6000
R 2.00	6001+

The rebate structure will only be applicable upon the presentation of proof on all the sales done on Nutri Feeds products, at any distribution point, at the end of the calendar year 2018.

The rebate accumulated can be used to help with the purchase of any marketing material required or to help with the payment of any expenses during events (e.g. Farmers days, auctions etc).

Nutri Feeds strive to give the best product quality and technical service that will be beneficial to overall farm productivity.

Nutri Feeds are looking forward in building on our relationship with **Hoëveld Bonsmaraklub**.

Kind Regards,

**Quinton Pretorius**
